RE: Moses Easter V. Pepsi
Case No. 2:09-CV-05188-SRC

Dear Judge Shipp:

I oppose the motion of Estelle Lord Esq. to withdraw as my attorney.

Her reason for withdrawal is in every point about me pay her additional money. It was explained to her prior to accepting the case that I had no money and had not received unemployment. Through family members I was able to borrow, over a period of time \$6,500.00 that I gave her with the expectations that she would satisfactorily represent me thru-out this entire case. I also have never received an itemized bill of Ms Lord's services and expenses in this case.

If the court grants Ms Lord's motion, however, I request that the court extend all discovery until at least October 30, 2010. to obtain new counsel and conduct discovery. It is understanding (over)

that Ms Lord conducted little or no
discovery on my behalf.

Respectfully Yours
Mr. B. Cant
